

CORPORATE REGISTRATION CERTIFICATE · NETWORK CATALOGUE PUBLICATION

Corporate Registration Certificate

Issuing office: Digital Commerce Regulatory Authority

An within the network corporate registration certificate for LinkLynx Technologies, recorded solely for the UNF private-network framework, with its purpose and limitations stated in the public file.

Network scope and limits

United Network Federation is an independently presented, privately administered digital-network governance framework. Its charter, participation rules, registry entries, reviews and dispute procedures operate only within services and among participants that adopt them. These publications are not government instruments, statutory licenses, judicial orders, public registrations or proof of independent security certification. A registry match confirms a publication in this network catalogue only. Sponsorships or external approvals require separate, verifiable evidence.
